

HANSCRAFT

Made to order Sauna

You can choose your size, heating, place of benches and accessories which suit you. Our finnish sauna is a good choice for exterior and interior of family houses, flats and also commercial areas such as hotels, wellness centers or sauna worlds. See our model realization. Pictures, technical specifications and price are applied to this realization and they may differ due to different requirements.

Heaters are not included in the price of saunas. Listed heating output is only recommended.
